The Honorable Board of Supervisors  
County of Los Angeles  
383 Kenneth Hahn Hall of Administration  
500 West Temple Street  
Los Angeles, CA 90012

Dear Supervisors:

**FIXED ASSET EQUIPMENT INVENTORY  
ALL SUPERVISORIAL DISTRICTS  
3 VOTES**

**IT IS RECOMMENDED THAT YOUR BOARD:**

1. Award the contract for "Fixed Asset Equipment Inventory" to Comp U Count Inventory Service, located in Northridge, California. This contract will be for a period of one year commencing upon Board approval and may be extended an additional two years, not to exceed a total contract period of three years.
2. Authorize the contractor to proceed with the work in accordance with the contract's specifications, terms, conditions, and requirements.
3. Authorize Public Works to encumber an amount not to exceed \$17,295 for the first one-year term and \$17,295 for each optional one-year extension period. This amount is based on the contractor's unit prices to perform the work. Funds are available in Public Works' 2002-03 budget.
4. Delegate authority to the Director of Public Works to execute and to renew this contract for each renewal option, if, in the opinion of the Director, renewal is warranted.

5. Delegate authority to the Director of Public Works to increase the maximum contract sum by no more than 20 percent annually to cover the cost of unforeseen additional work, if any, and/or the cost of living adjustment, if any.

### **PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION**

The purpose of this action is to obtain equipment inventory services for Public Works. The work to be performed will consist of a physical inventory of all Public Works' fixed asset equipment using a bar code reader to scan bar code labels affixed to fixed asset equipment. Additionally, the contractor is responsible for reporting progress of inventory, developing a schedule and list of all the locations and current job sites where equipment may be located, and applying bar coding as needed.

### **Implementation of Strategic Plan Goals**

This action is consistent with the County's Strategic Plan Goal of Organizational Effectiveness. This contract will improve internal operations through the utilization of this contractor's expertise to effectively provide these services in a timely and cost-effective manner.

### **FISCAL IMPACT/FINANCING**

The contract is for an annual amount not to exceed \$17,295 plus 20 percent annually to cover the cost of unforeseen additional work, if any, and/or the cost of living adjustment, if any. This amount is based on the contractor's unit prices to perform the work. This contract will commence upon Board approval for a period of one year. With the Board's delegated authority, the Director may renew this contract annually for a total contract period not to exceed three years. In any event, this contract may be canceled or terminated at any time by the County without cause upon the giving of at least 30 days' written notice to the contractor.

Compensation for the two optional annual extension periods may be increased by the Director in accordance with the standard cost of living adjustment provision approved by your Board.

Funds are available in Public Works' 2002-03 budget to cover the cost of this contract. There will be no impact on net County cost.

### **FACTS AND PROVISIONS/LEGAL REQUIREMENTS**

The contractor will execute this contract and County Counsel will review it as to form (Sample Agreement Enclosure C).

Public Works has evaluated and determined that the Living Wage Program (County Code Chapter 2.201) does not apply to this recommended contract, which is for services required on an as-needed and intermittent basis.

### **CONTRACTING PROCESS**

On March 19, 2003, Public Works solicited proposals from 135 independent contractors and community business organizations to accomplish this work. Also, notice of proposal availability was placed on the County's bid website (Enclosure A) and an advertisement was placed in the Los Angeles Times.

On April 17, 2003, two proposals were received. The proposals were first reviewed to ensure they met the mandatory requirements as outlined in the Request for Proposals (RFP). Having met these requirements, they were then evaluated by an evaluation committee consisting of Public Works' staff. The committee's evaluation was based on criteria described in the RFP, which included proposed price, work plan and approach, experience, and references. Based on this evaluation, Public Works is recommending that this contract be awarded to Comp U Count Inventory Service, located in Northridge, California, who was found to be the most responsive and lowest-cost proposer to perform the required service.

Enclosure B reflects the two proposers' minority participation. The contractor was selected upon final analysis and consideration without regard to race, creed, gender, or color.

This contract contains Board-approved contract terms and conditions regarding current and new employee notification of the Federal-earned income tax credit, agreement to maximize to the extent possible the use of recycled-content paper products, contractor responsibility and debarment, jury service requirements, and nonpayment for services received after contract expiration or termination.

Public Works has confirmed that the Child Support Services Department has received the contractor's Principal Owner Information Form in compliance with the Los Angeles County Code, Chapter 2.200 (Child Support Compliance Program).

The Honorable Board of Supervisors  
May 1, 2003  
Page 4

Proof of the required Comprehensive General and Automobile Liability insurance policies, naming the County as additional insured, and evidence of Workers' Compensation insurance will be obtained from the contractor before any work is assigned.

As requested by your Board, the contractor has submitted a safety record, which reflects that activities conducted by the contractor in the past have been according to reasonable standards of safety.

In accordance with the Chief Administrative Officer's June 15, 2001, instructions, this is Public Works' assurance that this contractor will not be requested to perform services which will exceed the contract's approved amount, scope of work, and/or terms.

**IMPACT ON CURRENT SERVICES (OR PROJECTS)**

The award of this contract will not result in the displacement of any County employees.

**CONCLUSION**

One approved copy of this letter is requested.

Respectfully submitted,

JAMES A. NOYES  
Director of Public Works

SECTION 2

GENERAL PROPOSAL REQUIREMENTS AND CONDITIONS

A. Knowledge of Work to be Done

By submitting a Proposal, Proposers will be held (1) to have carefully read the solicitation document and all attachments, (2) to have satisfied themselves as to their ability to meet all of the difficulties attending the execution of the proposed work before the delivery of their Proposal, and (3) agree that if awarded this Contract, no claim will be made against the County based on ignorance or misunderstanding of the solicitation document.

B. Withdrawal of Proposals

Proposers may withdraw their Proposal anytime before the date and hour set for submission upon presentation of a written request to the Director signed by an authorized representative of the Proposer or by the person filing the Proposal.

C. Invalid Proposals

It is the sole responsibility of the Proposer to see that its Proposal is properly received by Public Works before the submission deadline. Proposers shall bear all risks associated with private delivery services or with delays in the U.S. Mail.

Proposals submitted by telegram and those which are not clocked in at Public Works' Headquarters Lobby Cashier before the date and hour set for receipt of the same will not be considered and will be returned to the Proposer unopened.

D. Altering Solicitation Document

The wording of the solicitation document shall not be changed. Any additions, conditions, limitations, or provisions inserted by the Proposer shall render their Proposal irregular and may cause its rejection.

E. Term of Proposals

All Proposals shall be firm offers and may not be withdrawn for a period of 120 days following the last day to accept Proposals.

F. Acceptance or Rejection of Proposals

The right is reserved to reject any or all Proposals not suitable in the judgment of the Board/Director to be in the best interests of the County/Public Works. In the event of any such rejection, the County will not be liable for any costs incurred in connection with the preparation and submittal of a Proposal.

Proposals signed by an agent other than an officer of a corporation or a member of a general co-partnership, must be submitted with a power of attorney authorizing such signature; otherwise, the Proposal will be rejected as irregular and unauthorized.

No Proposal will be considered unless the Proposer submits a Proposal for all requested items. If the solicitation document contains multi-Proposal requests, no Proposal will be considered unless the Proposer submits a price on all items within each category, though the Proposer may not be required to submit a price on all the categories.

G. Qualification of Proposer

No award will be made to any Proposer who cannot give satisfactory assurance as to its ability to carry out this Contract, based both on financial strength and experience as a contractor on work of the nature contemplated in the proposed Contract. Proposers are encouraged to submit records of work of similar nature, size, or extent to that proposed under these Specifications. A reasonable inquiry to determine the responsibility of a Proposer will be conducted. The unreasonable failure of a Proposer to promptly supply information in connection with such inquiry, including, but not limited to information regarding past performance, financial stability, and ability to perform on schedule, may be grounds for a determination of nonresponsibility with respect to such Proposer. Unfamiliarity with the type of work required by Public Works may be sufficient cause for rejection of the Proposal.

H. Proposer's Safety Record

A review of the Proposer's safety record will be made before the award. Proposers are required to submit this information, with their Proposal, on the Contractor's Industrial Safety Record form provided. Nonsubmission or an adverse finding as to the Proposer's safety record may be sufficient cause for rejection of the Proposal.

I. Proposer's License Requirements

Proposers shall be properly licensed by the State of California to perform the work proposed under these Specifications. Lack of proper license at the time of submission of Proposal will be sufficient cause for rejection of the Proposal.

J. Wages, Materials, and Other Costs

It is the responsibility of the Proposer to calculate the Proposal price to take into consideration a possible escalation of wages, materials, and other costs during the contract period. The Board, County, Public Works, District, or Director do not presume what future costs may be or the rate of wages that may become necessary to pay employees of the Contractor for the work performed during the Contract period.

K. Qualifications of Subcontractors

Proposers shall list all subcontractors to be used on the List of Subcontractors form provided. The use of subcontractors shall be according to the provisions of Part II, Section 4, Paragraphs D and G. Subcontractors shall be properly licensed under the laws of the State of California for the type of work which they are to perform. Alternate subcontractors shall not be listed for the same work.

L. Opening of Proposals

Proposals will not be publicly opened.

M. Disqualification of Proposers

More than one Proposal from an individual, firm, or partnership, corporation, or association under the same or different names will not be considered. Reasonable grounds for believing that any Proposer has interest in more than one Proposal for the work contemplated will cause the rejection of all Proposals in which such Proposer has interest. If there is reason for believing that collusion exists among the Proposers, none of the participants in such collusion will be considered in this or future Proposals.

N. Proposal Prices and Agreement of Figures

If the total amount arrived at by multiplying the unit price times the quantity does not agree with the total amount entered for the item or if the total amount is not entered, the unit price and the corrected extension will be considered as representing the Proposer's intentions.

If the total amount is entered for the item, but not the unit price, the unit price will be that which is derived by dividing the total amount proposed for the item by the number of units in the item as representing the Proposer's intentions.

If the items are incorrectly totaled, the corrected total will be considered as representing the Proposer's intentions.

O. Disclosure of Contents of Proposals

All Proposals in response to the solicitation document will become the exclusive property of the County. At such time as Public Works recommends the award of this Contract to the Board and that letter appears on the Board's agenda, all Proposals will become a matter of public record and will be regarded as public records, except those parts of each Proposal which are defined by the Proposer as business or trade secrets, and plainly marked as "trade secret." Designation of all or substantial portions of the Proposal as "trade secret" or inappropriate designation of portions of the Proposal as "trade secret" may result in the Proposal being rejected as nonresponsive. The County will not in any way be liable or responsible for the disclosure of any such records, or any parts thereof, if disclosure is required or permitted under the California Public Records Act or otherwise by law.

P. Gratuities

It is improper for any County officer, employee, or agent to solicit consideration, in any form, from a Proposer with the implication, suggestion, or statement that the Proposer's provision of the consideration may secure more favorable treatment for the Proposer in the award of this Contract or that the Proposer's failure to provide such consideration may negatively affect the County's consideration of the Proposer's submission. A Proposer shall not offer or give, either directly or through an intermediary, consideration, in any form, to a County officer, employee or agent for the purpose of securing favorable treatment with respect to the award of this Contract.

*Part II--Service Contract General Requirements (continued)*

A Proposer shall immediately report any attempt by a County officer, employee, or agent to solicit such improper consideration. The report shall be made either to the County manager charged with the supervision of the employee or to the County Auditor-Controller's Employee Fraud Hotline at (213) 974-0914 or (800) 544-6861. Failure to report such a solicitation may result in the Proposer's submission being eliminated from consideration. Among other items, such improper consideration may take the form of cash, discounts, service, the provision of travel or entertainment or tangible gifts.

Q. Determination of Proposer Responsibility

1. A responsible Proposer is a Proposer who has demonstrated the attribute of trustworthiness, as well as quality, fitness, capacity, and experience to satisfactorily perform the proposed contract. It is the County's policy to conduct business only with responsible contractors.
2. Proposers are hereby notified that, in accordance with Chapter 2.202 of the County Code, the County may determine whether the Proposer is responsible based on a review of the Proposer's performance on any contracts, including but not limited to County contracts. Particular attention will be given to violations of labor laws related to employee compensation and benefits, and evidence of false claims made by the Proposer against public entities. Labor law violations which are the fault of subcontractors and of which the Proposer had no knowledge shall not be the basis of a determination that the Proposer is not responsible.
3. The County may declare a Proposer to be non-responsible for purposes of this proposed Contract if the Board, in its discretion, finds that the Proposer has done any of the following: (1) committed any act or omission which negatively reflects on the Proposer's quality, fitness, or capacity to perform this proposed Contract with the County or a contract with any other public entity, or engaged in a pattern or practice which negatively reflects on same, (2) committed an act or omission which indicates a lack of business integrity or business honesty, or (3) made or submitted a false claim against the County or any other public entity.
4. If there is evidence that the highest rated Proposer may not be responsible, Public Works will notify the Proposer in writing of the evidence relating to the Proposer's responsibility, and its intention to recommend to the

*Part II--Service Contract General Requirements (continued)*

Board that the Proposer be found not responsible. Public Works will provide the Proposer and/or the Proposer's representative with an opportunity to present evidence as to why the Proposer should be found to be responsible and to rebut evidence which is the basis for Public Works' recommendation. If the Proposer fails to avail itself of the opportunity to rebut Public Works' evidence, the Proposer may be deemed to have waived all rights of appeal.

5. If the Proposer presents evidence in rebuttal to Public Works, Public Works will evaluate the merits of such evidence, and based on that evaluation, make a recommendation to the Board. The final decision concerning the responsibility of the Proposer will reside with the Board.
6. These terms shall also apply to proposed subcontractors of Proposer on County contracts.

R. Proposer Debarment

1. The Proposer is hereby notified that, in accordance with Chapter 2.202 of the County Code, the County may debar the Proposer from bidding on other County contracts for a specified period of time, not to exceed 3 years, and the County may terminate any or all of the Proposer's existing contracts with County, if the Board finds, in its discretion, that the Proposer has done any of the following: (1) violated any term of a contract with the County, (2) committed any act or omission which negatively reflects on the Proposer's quality, fitness, or capacity to perform a contract with the County or any other public entity, or engaged in a pattern or practice which negatively reflects on same, (3) committed an act or offense which indicates a lack of business integrity or business honesty, or (4) made or submitted a false claim against the County or any other public entity.
2. If there is evidence that the highest rated Proposer may be subject to debarment, Public Works will notify the Proposer in writing of the evidence which is the basis for the proposed debarment, and will advise the Proposer of the scheduled date for a debarment hearing before the Contractor Hearing Board.
3. The Contractor Hearing Board will conduct a hearing where evidence on the proposed debarment is presented. The Proposer and/or the Proposer's representative shall be given an opportunity to submit evidence at that hearing.

*Part II--Service Contract General Requirements (continued)*

After the hearing, the Contractor Hearing Board will prepare a proposed decision, which will contain a recommendation regarding whether the Proposer should be debarred, and, if so, the appropriate length of time of the debarment. If the Proposer fails to avail itself of the opportunity to submit evidence to the Contractor Hearing Board, the Proposer may be deemed to have waived all rights of appeal.

4. A record of the hearing, the proposed decision and any other recommendation of the Contractor Hearing Board will be presented to the Board. The Board will have the right to modify, deny or adopt the proposed decision and recommendation of the Contractor Hearing Board.
5. These terms shall also apply to proposed subcontractors of Proposer on County contracts.

The County may debar a contractor if the Board finds, in its discretion, that the Contractor has done any of the following: (1) violated any term of a contract with the County, (2) committed any act or omission which negatively reflects on the Contractor's quality, fitness or capacity to perform a contract with the County or any other public entity, or engaged in a pattern or practice which negatively reflects on same, (3) committed an act or offense which indicates a lack of business integrity or business honesty, or (4) made or submitted a false claim against the County or any other public entity.
4. If there is evidence that the Contractor may be subject to debarment, Public Works will notify the Contractor in writing of the evidence which is the basis for the proposed debarment and will advise the Contractor of the scheduled date for a debarment hearing before the Contractor Hearing Board.
5. The Contractor Hearing Board will conduct a hearing where evidence on the proposed debarment is presented. The Contractor and/or the Contractor's representative shall be given an opportunity to submit evidence at that

After the hearing, the Contractor Hearing Board will prepare a proposed decision, which will contain a recommendation regarding whether the Contractor should be debarred, and, if so, the appropriate length of time of the debarment. If the Contractor fails to avail itself of the opportunity to submit evidence to the Contractor Hearing Board, the Contractor may be deemed to have waived all rights of appeal.

6. A record of the hearing, the proposed decision and any other recommendation of the Contractor Hearing Board will be presented to the Board. The Board will have the right to modify, deny or adopt the proposed decision and recommendation of the Contractor Hearing Board.
7. These terms shall also apply to subcontractors of Contractor.

V. Jury Service Program

1. This Contract is subject to the provisions of the County's ordinance entitled Contractor Employee Jury Service ("Jury Service Program") as codified in Sections 2.203.010 through 2.203.090 of the Los Angeles County Code.
2. Written Employee Jury Service Policy
  - a. Unless Contractor has demonstrated to the County's satisfaction either that Contractor is not a "Contractor" as defined under the Jury Service Program (Section 2.203.020 of the County Code) or that Contractor qualifies for an exception to the Jury Service Program (Section 2.203.070 of the County Code), Contractor shall have and adhere to a written policy that provides that its Employees shall receive from the Contractor, on an annual basis, no less than five days of regular pay for actual jury service. The policy may provide that Employees deposit any fees received for such jury service with the Contractor or that the Contractor deduct from the Employee's regular pay the fees received for jury service.
  - b. For purposes of this Section, "Contractor" means a person, partnership, corporation, or other entity which has a contract with the County or a subcontract with a County contractor and has received or will receive an aggregate sum of \$50,000 or more in any 12-month period under one or

*Part II--Service Contract General Requirements (continued)*

more County contracts or subcontracts. "Employee" means any California resident who is a full-time employee of Contractor. "Full time" means 40 hours or more worked per week, or a lesser number of hours if the lesser number is a recognized industry standard and is approved as such by the County. If Contractor uses any subcontractor to perform services for the County under this Contract, the subcontractor shall also be subject to the provisions of this Section. The provisions of this Section shall be inserted into any such subcontract agreement and a copy of the Jury Service Program shall be attached to the agreement.

- c. If Contractor is not required to comply with the Jury Service Program when this Contract commences, Contractor shall have a continuing obligation to review the applicability of its "exception status" from the Jury Service Program, and Contractor shall immediately notify County if Contractor at any time either comes within the Jury Service Program's definition of "Contractor" or if Contractor no longer qualifies for an exception to the Program. In either event, Contractor shall immediately implement a written policy consistent with the Jury Service Program. The County may also require, at any time during this Contract and at its sole discretion, that Contractor demonstrate to the County's satisfaction that Contractor either continues to remain outside of the Jury Service Program's definition of "Contractor" and/or that Contractor continues to qualify for an exception to the Program.
- d. Contractor's violation of this Section of this Contract may constitute a material breach of this Contract. In the event of such material breach, County may, in its sole discretion, terminate this Contract and/or bar Contractor from the award of future County contracts for a period of time consistent with the seriousness of the breach.

3. Contractor shall not willfully and knowingly make a false statement with the intent to defraud, whether by affidavit, report, or other representation, to a County official or employee for the purpose of influencing the certification or denial of certification of any entity as a Local Small Business Enterprise.
4. If Contractor has obtained County certification as a Local Small Business Enterprise by reason of having furnished incorrect supporting information or by reason of having withheld information, and which knew, or should have known, the information furnished was incorrect or the information withheld was relevant to its request for certification, and which by reason of such certification has been awarded this Contract to which it would not otherwise have been entitled, shall:
  1. Pay to the County any difference between the contract amount and what the County's costs would have been if the contract had been properly awarded;
  2. In addition to the amount described in subdivision (1), be assessed a penalty in an amount of not more than 10 percent of the amount of the contract; and
  3. Be subject to the provisions of Chapter 2.202 of the Los Angeles County Code (Determinations of Contractor Non-responsibility and Contractor Debarment).

1. The County reserves the right to renegotiate the terms of this Contract to reduce the Contractor's compensation in the event such reduction is necessary, in the sole discretion of the County, to achieve County budget reductions. Nothing in this paragraph is intended to diminish the County's right to terminate this Contract as provided herein.
2. The County may at any time terminate this Contract, or any portion thereof, without liability (except as hereinafter provided) by delivering to the Contractor written notice specifying the desired termination date at least 30 days in advance thereof.

Failure of the Contractor to submit its termination claim and invoice within the time allowed, the County may determine, based on information available to the County, the amount, if any, due to the Contractor in respect to the termination, and such determination shall be final. After such determination is made, the County will pay the Contractor the amount so determined.

The County shall notify the Contractor in writing of such non-allocation at the earliest possible date.

If the County finds that any of the above provisions have been violated, the same shall constitute a material breach of contract upon which the County may determine to cancel, terminate, or suspend this Contract. While the County reserves the right to determine independently that the antidiscrimination provisions of this Contract have been violated, in addition, a determination by the California Fair Employment Practices Commission or the Federal Equal Employment Opportunity Commission that the Contractor has violated State or Federal antidiscrimination laws or regulations shall constitute a finding by the County that the Contractor has violated the antidiscrimination provisions of this Contract.

The parties agree that in the event the Contractor violates the antidiscrimination provisions of this Contract, the County shall, at its option, be entitled to a sum of \$500 pursuant to California Civil Code Section 1671 as liquidated damages in lieu of canceling, terminating, or suspending this Contract.

C. Assignment

This Contract, or any interest therein, including any claims for monies due or to become due with respect thereto, may only be assigned upon the written consent of the Director and any prohibited assignment shall be null and void. 2. For breach or violation of this warranty, the County shall have the right to terminate this Contract and, at its sole discretion, deduct from this Contract price or consideration, or otherwise recover, the full amount of such commission, percentage, brokerage, or contingent fee.

**G. Governing Laws**

This Contract shall be construed in accordance with and governed by the laws of the State of California.

**H. Termination for Improper Consideration**

County may, by written notice to Contractor, immediately terminate the right of the Contractor to proceed under this Contract if it is found that consideration, in any form, was offered or given by Contractor, either directly or through an intermediary, to any County officer, employee or agent with the intent of securing this Contract or securing favorable treatment with respect to the award, amendment or extension of this Contract or the making of any determinations with respect to the Contractor's performance pursuant to this Contract. Such material, including all pertinent costs, accounting, financial records, and proprietary data, shall be kept and maintained by the Contractor, at a location in Los Angeles County, for a period of five years after completion of this Contract unless the County's written permission is given to dispose of material prior to the end of such period.

K. Validity

The invalidity in whole or in part of any provision of this Contract shall not void or affect the validity of any other provision.

L. Waiver

No waiver of a breach of any provision of this Contract by either party shall constitute a waiver of any other breach of said provision or any other provision of this Contract. Failure of either party to enforce at anytime or from time to time, any provision of this Contract shall not be construed as a waiver thereof. The remedies herein reserved shall be cumulative and additional to any other remedies in law or equity.
